General information:

The original Part-66 licence must be enclosed together with the application!

The authority will consider this application in the case of Part-66 ratings i.a.w **Regulation (EC) No. 1321/2014**; in the case of national rating i.a.w **ministerial decree 13/2012 NFM**. The procedure is handled i.a.w **CL. law of 2016**. The Hungarian regulations can be found on <http://magyarorszag.hu>, the European Union regulations on <http://eur-lex.eu> or <http://easa.eu>. This document is for information purposes only, the application always has to be submitted in accordance with regulations in force.

When applying for Part-66 type or group rating, please indicate the requested rating at 4.3 part of the application form i.a.w current revision of Part-66 AMC Appendix I, that can be found on EASA homepage: <https://www.easa.europa.eu/regulations>. If the application is not in accordance with this EASA decision, the endorsed ratings may be different or extra fee may apply.

For **Annex I aircraft and components under national legislation by regulation EK 1321/2014** the requirements of ministerial decree 13/2012 NFM apply. If the applicant has a Part-66 licence issued by our authority the national ratings are endorsed on the national privileges page of the Part-66 licence. Ratings endorsed on the national privileges page of the Part-66 licence are valid only for the above mentioned aircraft that are registered in Hungary.

Conversion: issuance of Part-66 or national licence based on certifying staff qualification that was valid in Hungary before current regulations entered into force.

Licences and qualifications in accordance with Part-66 or ministerial decree 13/2012 NFM:

Initial AML:

Choose this procedure if you did not have an aircraft maintenance licence issued in Hungary before and your qualification is i.a.w current legislation.
